

Guidelines for Free Readers

- Choose books you will be able to read independently
- Read the blurb...it will tell you roughly what the book is about
 - Choose both fiction and non-fiction books
- You don't need to read non-fiction books from cover to cover. Use the contents and index to find information you want.
- Choose from a variety of authors...there are lots out there!
 - Record title and author in your reading record book.
 - Ask an adult to initial it when you have read at home.
 - Use a bookmark to keep your place
 - Write reviews of the books you enjoy most.

Enjoy your reading!
